Helping you find the best talent for your educational needs.

Live Online Tutors
Skilled online tutors available for STEM, humanities, Accounting and competitive exams.

eQOURSE: Your One-Stop Solution for Comprehensive EdTech Needs

At eQOURSE, we offer comprehensive, all-in-one solutions tailored to the unique needs of EdTech companies. From initial platform development to ongoing content updates and technical management, we ensure that every aspect of your educational platform is optimized for success. Our end-to-end services allow you to focus on educating learners while we handle everything else

1. Platform Development

Get your custom Learning Management Systems (LMS), equipped with real-time analytics and AI-powered insights to enhance engagement and learning outcomes. We ensure your platform is built for scalability and performance.

2. Educational Content Development

Our content team design high-quality, engaging, and multilingual educational materials. We cater to diverse learning needs across K12, higher education, and corporate learning, ensuring content aligns with your objectives.

3. Continuous Content Updates & Management

Stay ahead with ongoing content management and updates. We ensure your educational material remains relevant, interactive, and aligned with the latest learning trends.

4. Technical Support & Maintenance

With 24/7 technical support, we manage system performance, troubleshoot issues, and roll out updates, so your platform operates smoothly without any downtime.
